The Panola County Public Service Center at 1001 S. Houston St. in Marshall has been redesigned for one of its primary functions.

The new facility serves as a public service center for Panola County residents.

The center offers a variety of services, including but not limited to, public assistance, veterans benefits, and various county services.

The redesign includes an updated exterior and interior design, with an emphasis on convenience for visitors.

The facility is open from Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding holidays.

Life’s a natural high

By Mrs. P. Logan

The Family Member is a natural high. The Alcoholic and Drug Abuser is an artificial high. We live in a society that puts more emphasis on the artificial high than the natural high. It is through the efforts of a family member who is a natural high that the alcohol or drug abuser comes into treatment. As the family member learns to "let go and let God", the previously dependent person is able to begin the process of growth with a chance of recovery.

Students learn how not to get a job

By Mrs. H. Green

United States News & World Report recently gave high school guidance counselors the right information to use in helping their students obtain jobs after graduation or job interviews. The article warned that asking "Are you high?" and then asking the same question a week later would not get the student a job. The guidance counselor must learn to ask specific questions to help the student understand the background of the employer and the job requirements. The counselor must also be concerned about the student's attitude and the manner in which he communicates with others. During the course, students are taught the duties of a health worker or a gun security proctor. They also discuss the responsibilities and duties of the counselor/mentor and the handling of the counseling relationship. The Job Training Office is a program that can be helpful to the career counseling of the student. The counselor/mentor is in charge of the student's counseling program and works closely with the student to ensure that the student works towards a goal. The counselor/mentor is a helpful resource to the student and the counselor/mentor program is an excellent way to help students stay in school and work stably.
**T-Wheeler**

This one you will not believe

In the Wild:

Don't ask us to verify this on our own authority. Several eyewitnesses and scores of police and firemen were present on the scene, and the coroner declared the body of the man who died in the explosion to be unrecognizable.

Evidence suggests that the explosion was caused by a gas leak in the basement of the building. The cause of the leak is unknown, but it is suspected that the gas line may have been damaged by a vehicle.

The victim was identified as John Smith, a local businessman, who was reportedly working in his office at the time of the explosion. His wife and children are reportedly in a state of shock and grief.

**THE PANOLA WATCHMAN TALK-LINE EDITORIALS**

**Letter to the Editor**

Dear Mr. Grinsson:

I am writing to you because I believe the proposed changes to the school schedule will have a negative impact on our students.

The current schedule, with its limited number of classes, allows students to participate in extracurricular activities and have time to recover from academic stress. The changes to the schedule will increase the workload and decrease the time available for students to participate in these activities.

I urge you to reconsider the proposed changes and maintain the current schedule.

Sincerely,

[Signature]

**Consumer Watchdog**

**Mattox warns of end of tax rebate**

By Jim Hardware

In a press conference today, Consumer Watchdog spokesperson Jim Mattox warned of the end of tax rebates. "The government has already given out billions of dollars in tax rebates, and there is no way that they will be able to continue this program," said Mattox. "We need to start finding other ways to help people, such as increasing social security benefits or providing unemployment insurance."}

**TSTA members to attend meeting**

The TSTA (Texas State Teachers Association) will be holding a meeting on October 3rd. The meeting will be held from 2-4 PM in the TSTA headquarters at 123 Main Street. The meeting will be open to all members of the TSTA. If you are interested, please contact the TSTA office at 555-1234.
**Southern pine beetle a problem...**

By Misti Blacklock

The southern pine beetle has become an increasing threat to pine trees in the United States. This small beetle, which is a member of the bark beetle family, can quickly kill trees if not controlled. The beetle infests pine trees, especially those of the southern pine species, such as loblolly, longleaf, and shortleaf pines. Once infected, the beetle will tunnel under the bark, killing the tree's ability to transport water and nutrients to the leaves. This can lead to a tree's death within a few months.

To combat the southern pine beetle, pest control measures are necessary. These include the use of pesticides, such as methoxyfenozide and imidacloprid, which are applied near the trunk of the tree. Additionally, removing infested trees is crucial to prevent the spread of the beetle. Homeowners and landowners are encouraged to monitor their trees and consult with local extension agents or pest control experts if they suspect an infestation.

New park rules adopted by county

By Misti Blacklock

The county is adopting new park rules to ensure the safety and enjoyment of all visitors. The rules require annual registration for all dogs and limit the number of dogs allowed in the park to one per registered owner. Additionally, dogs must be leashed at all times, and owners are responsible for cleaning up after their pets. These changes aim to maintain a clean and safe environment for all park visitors, including those with and without dogs. Violators of the new rules may face fines.

**Ag team wins district...**

By Misti Blacklock

The Ag team at Carthage High School won the district championship in small 4-H projects. The team, which consists of students in grades 7-12, competed against teams from other schools in the area. Their project focused on a local issue, demonstrating the team's commitment to community service. The team members showcased their problem-solving skills, research, and presentation abilities, earning them the top spot in the competition.

Panola roughs Western

By LARRY JENG

Irene Byrd's 98 points led the way as the Panthers defeated Western, 99-85. The Panthers dominated the game from start to finish, never trailing throughout.

Western made a strong comeback in the second quarter, trailing by just 18 points. However, Panola pulled away in the third quarter, carrying a 21-point lead into the final frame. Byrd scored 19 points in the third quarter alone.

The Panthers' defense was also a key factor in the victory, limiting Western to just 42 points.

The Panthers' record now stands at 17-2, while Western falls to 17-3. Panola will next face off against Riverview tomorrow at 7 p.m., while Western hosts Ft. Payne on Saturday at 8 p.m.

Surtatt says Dogs ready

Though Bratton thinks Carthage might be the team to beat, Coach Wilson says he's got the Dogs ready for the upcoming season.

"We've got a good team this year," Wilson said. "I think we're ready for the challenge of playing against Carthage."

“Plenty of good beds and blankets! They told me the place was being advertised on the Central City Public Distribution Service,” said one new member of the PJC board, Mrs. Mary Parker. “I went over and saw the place and the beds are just great.”

In going to see and this church is not far. At 11:30 a.m. we were on our way to see the church. It was a long, high, blue sky. It is a beautiful day. There is no better way to spend a Sunday morning than to be in church. The people were sitting on the steps and enjoying the music. We were enjoying the music. We were in church.

I think a lot of the things that were going on in the church. The PJC board members and I were sitting on the steps and enjoying the music. We were in church.

When the church was over, we went to see Mr. Parker. He was in church. He was in church. He was in church. He was in church.

Camporee scheduled

For the first time in 30 years, the Campbellsport Cub Scout Pack 150 will host a Camporee during the camp season. The event was held on Saturday, October 15th. The camporee was organized by Mr. Bob Bortz, the Scoutmaster for Pack 150. The Camporee started at 7:30 p.m. and ended at 10:30 p.m. The event was open to all boys and girls from the surrounding areas. The camporee included various activities such as arts and crafts, games, and a bonfire. The Scoutmaster said that the camporee was a great way for the scouts to learn new skills and have fun. He also thanked the parents and volunteers for their support.

4-H Boots and Saddles Clinic

The 4-H Boots and Saddles Clinic was held at the Polk County Fairgrounds in Delafield. The clinic was organized by the 4-H club and was open to all members. The clinic included various activities such as bootfitting, saddle fitting, and horse handling. The clinic was led by Mr. John Brown, the horse handler for the 4-H club. He taught the participants how to fit boots and saddles to horses. The participants also learned how to handle horses properly. The clinic was a great way for the members to improve their skills and have fun.

Horse shoeing clinic set

The Clinic will be held on Saturday, October 15th, at the Polk County Fairgrounds. The clinic will be led by Mr. John Brown, the horse handler for the 4-H club. The clinic will include various activities such as hoof trimming, shoeing, and horse handling. The participants will learn how to trim and shoe horse hooves. The clinic will be open to all members.

Days Gone By

By Ann Moore

These stories from my friend Mary Ellen and her husband are from their recent trip to Europe. She visited Germany, Switzerland, and Italy. She said that the trip was fantastic. She visited several attractions such as the Eiffel Tower, the Colosseum, and the Louvre. She also visited several cities and towns such as Paris, Rome, and Venice. She said that the trip was very interesting and she learned a lot about the history and culture of these places.

CISD may build eight classrooms at Libby

The CISD Board of Trustees approved plans to build eight classrooms at Libby Elementary School. The new classrooms will be built on the west side of the school, near the existing buildings. The new classrooms will be used to accommodate the growing student population. The project is expected to be completed by the fall of 2024. The total cost of the project is estimated to be $6 million. The funds will be provided by a bond election passed by the CISD voters in 2022.
