

# ADN-BSN CONCURRENT PROGRAM WITH THE UNIVERSITY OF TEXAS AT TYLER

## SUGGESTED DEGREE PLAN

The following degree plan meets the requirements for Bachelor of Science in nursing to qualify for the ADN-BSN Concurrent Degree with the University of Texas at Tyler. Please see a nursing advisor to learn specific requirements. A student must be accepted to the Associate Degree Nursing program and must have completed all BSN core requirements in order to qualify for the concurrent degree. Upon successful completion of courses for the ADN-BSN Concurrent Program, students are awarded the ADN degree from Panola College and the BSN degree from The University of Texas at Tyler.
