

EMERGENCY MEDICAL TECHNOLOGY

CERTIFICATE

(TSI-Waived Program)

The Emergency Medical Technology Program prepares students for a career in the diverse medical field of pre-hospital care as a certified/licensed paramedic. At the different levels of the program, the student will be prepared to test for the appropriate certification through the National Registry of Emergency Medical Technician. Upon successful completion, he/she will then be allowed to apply for state certification. This program is approved by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 25400 U.S. Highway 19 North, Suite 158, Clearwater, FL 33763, (727) 210-2350.
