Instructional Goals and Purposes:

The purpose of this course is to: 1) create an academic atmosphere in which students may develop their intellects and skills; and 2) provide courses so that students may receive a certificate and/or associate degree or transfer to a senior institution that offers baccalaureate degrees.

Learning Outcomes:

After studying all materials and resources presented in the course, the student will be able to:

- 1. Develop an understanding of the importance of regular, lifelong physical activity as part of a healthy lifestyle.
- 2. Understand how to safely participate in a spin program.
- 3. Develop good principles in movement and technique to maximize learning and progress.
- 4. Develop physical skills that also enhance the student's psychological and emotional well-being.

Course Content:

A general description of lecture/discussion topics included in this course are listed in the Learning Objectives section of this syllabus.

Students in all sections of this course will learn the following content:

- 1. Improve cardiovascular fitness.
- 2. Improve muscular flexibility and endurance.
- 3. Become more familiar with and be able to participate in a variety of different spin cycles.
- 4. Discuss aspects of body, mind and spirit that affect personal health.

Methods of Instruction/Course Format/Delivery:

This course is offered in the following methods of instruction: lecture, demonstration, discussion, and television/video presentation.

Major Assignments / Assessments:

The following items will be assigned and assessed during the semester and used to calculate the student's final grade.

Assignments

Attendance/Participation: 100%

Course Grade:

This class is entirely participation/attendance-based. Students are allowed to miss three class periods before they began to drop a letter grade for each additional absence. As such, final grades are determined by the following grading scheme:

A = 3 or fewer absences

B = 4 absences

C = 5 absences

D = 6 absences

F = 7 or more absences

Texts, Materials, and Supplies:

No text required. Schwinn ProSpin Bikes are provided by the college. Students have the option of purchasing other spin accessories on their own.

Course Attire: Students are encouraged to wear comfortable but somewhat "fitted" clothes such as stretch shorts, leggings, sweat pants, and t-shirts. Sweat towel is optional, but HIGHLY recommended. Hair should be secured so as not to interfere with vision.

Other:

- For current texts and materials, use the following link to access bookstore listings: http://www.panolacollegestore.com
- For testing services, use the following link: http://www.panola.edu/elearning/testing.html
- If any student in this class has special classroom or testing needs because of a physical learning or emotional condition, please contact the ADA Student Coordinator in Support Services located in the Administration Building or go to http://www.panola.edu/student-success/disability-support-services/ for more information.
- Withdrawing from a course is the student's responsibility. Students who do not attend class and who do not withdraw will receive the grade earned for the course.
