Methods of Instruction/Course Format/Delivery:

This course is offered in online, face-to-face, and/or Hybrid formats. For the traditional classroom course, teaching approaches are expected to vary with individual instructors who should employ those techniques that work best for them and their students. Although lecture and reading assignments are the primary forms of delivery, other instructional methods may involve classroom discussion, student presentations and lectures, audio-visual instruction, invited speakers, critical thinking activities, in class writing exercises designed to stimulate critical thinking, and group activities.

Distance learning is also available for students who cannot attend lectures and who are capable of the amount of self-direction and discipline required to complete such a course. Reading the materials, communication via email, and on-line discussion are some of the methods used for distance learning.

Major Assignments / Assessments:

The following items will be assigned and assessed during the semester and used to calculate the student's final grade.

Assignments

Faculty may assign both in and out of class assignments, essay projects, and exams to assess the student's knowledge and abilities. Faculty may also choose from the following assessment criteria:

1. Attendance
2. Perceived Class Preparedness
3. Class Participation/Discussion
4. Exams
5. Tests
6. Quizzes
7. Internet Assignments
8. Journal Assignments
9. Library Assignments
10. Readings
11. Research Papers
12. Written Assignments

Assessment(s):

1. Students must demonstrate their mastery of the course objectives by scoring 70% or better on Test 1.
2. Students must demonstrate their mastery of the course objectives by scoring 70% or better on Test 2.
3. Students must demonstrate their mastery of the course objectives by scoring 70% or better on Test 3.
4. Students must demonstrate their mastery of the course objectives by scoring a 70% or better on a written assignment.
5. Students must demonstrate their mastery of the course objectives by scoring a 70% or better on a comprehensive Final Exam.
6. Student semester grades are calculated in accordance with the Course Grade weights as listed below. The student is considered to have mastered the course objectives if the student has a final semester grade of 70% or higher.

Course Grade:

The grading scale for this course is as follows:

- Test 1 – 20% (proctored)
- Test 2 – 20% (proctored)
- Test 3 – 20% (proctored)
- Chapter Quizzes – at the end of the semester, the chapter quiz average will substitute for Test 1, 2, or 3 grade provided the quiz average is higher than the lowest test 1, 2, or 3 grade. The quiz average constitutes all assigned quizzes, not just completed quizzes.
- Discussion Participation – Discussion Topics are a requirement of this course. Students may receive up to 5 points for Discussion, based on the subjective scoring of the Professor. The Discussion points will then be added back to the Quiz grade from the related chapter.
- Written Assignment – 15% (via Canvas or current LMS)
- Final Exam – 25% (proctored)

For shortened semesters, i.e. Winter Term, Summer 1, and/or Summer 2 when time and testing facility hours are modified, the grading scale is modified as follows:

- Mid Term – 30% (proctored)
- Final Exam – 30% (proctored)
- Quiz Average – 25%
- Written Assignment – 15% (for shortened semesters, there is no Courthouse Field Trip – all students receive an Alternate Assignment).

Subjective grading – in circumstances where student grades are borderline and the issue of rounding the grade up comes into question, the professor may consider your classroom attendance record, your class participation level, and/or your perceived preparedness level for class in determining to round up or not.
