Chair, Language/Humanities – 2024 to present

I have taught numerous sections of ENGL 1301 and 1302, as well as Developmental Reading and Writing. Responsibilities included all aspects of course instruction (classroom lecture, group facilitation and discussion, student conferences and grade assignment).

Professional Achievements and Publications

I had an academic paper accepted and published (year 2000) in a biannual journal called *Exercise Exchange: A Journal for Teachers of English in high schools and colleges*.

Consequently, when I presented this paper at a teachers' conference at the State University of New York at Cortland, I was honored to be asked to chair a committee for the following year's conference.
