

What our students are saying...

WHY DID YOU CHOOSE PANOLA COLLEGE?

"It was close and I really like Panola." --A. Perkins

"Panola is close to home." --B. Thomas

"It's where they help you the most and find what you want to do with your life." --C. Risinger

"I chose Panola because I had heard you guys had an amazing nursing program." --C. Finley

"Why Panola, because of the friendly staff and professors. The first part about learning and communication-is the message to be received. How well it comes across the channel of communication, and they do it with ease."
--D. Knighten

"My reasons for choosing Panola College when I was seeking recommendation, everyone I had talked to had recommended Panola. I have always heard good things about Panola. Now I am on my third semester, I love the small class sizes, the course study is relatable, and the atmosphere is positive. In addition, I like the fact that Panola has an open-door policy, where I can talk to my teachers about anything."--T. Pauley

"I chose to attend Panola College, because I believe this college will provide me with the tools to be successful."--Y. Baxter

WHY DID YOU CHOOSE MEDICAL ASSISTING PROGRAM?

"I chose MA because I love to help people." --A. Perkins

"I have always wanted to be in the medical field." --B. Thomas

"I chose medical assisting because I've never really been interested in anything else. It's always been my calling." --C. Risinger

"I always knew I wanted to be in the medical field of some sort. My dream is to become a midwife but I decided to start out as an MA. I was told it would get me really good experience in the medical field before going on to a higher nursing career." --C. Finley

"Why the MA program, I enjoy making people feel good. Being sick is never fun. Treating patients with care and a smile, can brighten their day. Just watching a patient go from being horrible sick, to feeling better is such a gratifying feeling. This is why Panola Medical Assisting Program was the right program for me." --D. Knighten

"The MA program felt only right to me being that I have a heart for people and helping. In this program, I'm able to learn what I need and get my experience for when I become a nurse in the future."--T. Pauley

"I choose to go into the MA program because there is such a high demand for them. I decided to get my MA certificated while I finish up getting my Medical Coding certificate also. The end of next semester I will have two certificates and I could go either way and still be in the administrative part of an office."--Y. Baxter
