

Information on Uniforms, Supplies and Books

Please refer to the Medical Assisting student handbook, Section VII, page 22 for information on uniforms and supplies.

- Scrubs: **You will be required to wear scrubs to class, lab and clinical.** **Scrubs Galore N More (Longview)** will bring their inventory to Panola College prior to the first day of class (please contact the bookstore for dates). Financial aid can be used to purchase scrubs, supplies and/or shoes the day they are on campus and/or at the Longview location (please contact the store for further information).

You will be required to have your scrub tops and jackets embroidered with a Panola College logo that is specific to the Medical Assisting program. All embroidery is placed on the front left of scrub tops and jackets. Turnaround time is a week, so be sure to allow plenty of time before you need it.
