Alternate Operations During Campus Closure: During an emergency, or announced campus closure due to a natural disaster, pandemic, or other emergency situations, it may be necessary for Panola College to move to altered operations. During this time, Panola College may opt to continue delivery of instruction through methods that include, but are not limited to: online learning management system (CANVAS), online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor Panola College's website (www.panola.edu) for instructions about continuing courses remotely, CANVAS for each class for course-specific communication, and Panola College email for important general information.

****Repeat Course Fees.** The Texas Legislature has mandated that a course repeated by a student more than twice at a public institution of higher education may not be reported for state funding. As a result, the institution must either pass the non-funded portion to all students or charge a supplementary fee to the student who is repeating the course. Consequently, Panola College has chosen to assess a supplementary fee to only those students repeating the course more than twice, beginning with the Fall 2006 semester. Courses in Developmental Studies and English as a Second Language (ESL) are not affected by the supplementary fee. For a course being “three-peated” (being taken for a third time), students will be charged \$75 per semester credit hour (\$225 for a 3 hour course) in addition to tuition and required fees associated with the course. Students will be notified at the time they register for a course that it has been taken twice at Panola College and is subject to the supplementary fee.
