FINANCIAL AID FOR SWIFT TRANSFER (FAST) PROGRAM

Panola College participates in the FAST program which provides funding to participating public institutions of higher education so that they can offer dual credit courses to educationally disadvantaged students at no cost to these students. The Texas Education Code defines “educationally disadvantaged” as those students eligible for the national free/reduced-price lunch program. A student who meets this requirement in any of the four school years prior to the academic year in which the student is enrolled in the eligible dual credit course may be eligible for the FAST program.
