

Mission Statement

Panola College empowers students to achieve their goals. We are committed to providing affordable, high-quality academic transfer, career-focused programs, and continuing education opportunities. We prepare learners through community partnerships, workforce and technical skills training, and wraparound support services to strengthen student success and enrich their lives.

State of Vision

Panola College aspires to be a transformative educational leader committed to student success, excellence in instructional programs, student services, and community engagement.

Institutional Goals 2026 – 2030

The institutional goals below were presented and approved by the BOT on February 23, 2026.

Goal 1 (Instruction): Provide excellence in teaching, student engagement, curriculum, program development, and course design to meet the diverse needs of students and the region.

Goal 2 (Student Services): Provide support and resources to help students achieve their goals.

Goal 3 (Community Partnerships): Build and strengthen partnerships to allow for student educational and career advancement as well as to support the region's workforce needs.

Goal 4 (Facilities and Technology): Ensure appropriate facilities and technology to contribute to an effective, productive learning and work environment.
