Students will be notified in writing or via phone message if they have been approved or denied Book Loan Funding. Student must be registered for classes in order for a Book Loan Application to be considered for funding. The Perkins Basic Book Loan Program will only cover courses within the curriculum for career and technical majors.

Funding is extremely limited for the Book Loan. Funding is available on a first come, first serve basis. Your application will be date and time stamped and funds distributed in the order received. If you have a hold on your account or are not registered for classes, your application will NOT be processed. It is the student's responsibility to check for holds on their account.

You will be approved for a book loan only for the classes you are enrolled in at the time of application. Should you change courses, you will be responsible for funding books needed for those courses.

If I qualify for book loan assistance, I agree to return books to the Student Success Center/Career and Technical Advisor in good condition by the due date. I understand that if the book loaned is not returned by that time, a HOLD will be placed on my student account and I will not be eligible to receive another book loan.
