Online students will need to take their tests at a Panola College testing center. Students who wish to test at another location other than Panola College will need to complete a request for Remote Testing and submit an email to the instructor with the testing location, email and phone number of the contact person at the testing center they request to use. A request for remote testing will not always guarantee approval. Student is responsible for verifying with instructor if the location is approved.

Specific testing dates/windows will be posted in Canvas. The general testing guideline:
